

MANUFACTURER'S CERTIFICATION STATEMENT

Kolbe & Kolbe Millwork Co., Inc.

Kolbe & Kolbe Millwork Co., Inc. ("Kolbe") manufactures windows and doors known not only for their quality and craftsmanship but for their energy performance and efficiency. A variety of Kolbe's products meet the energy efficiency requirements of the ENERGY STAR® program which may qualify the products for federal tax credits.

The Consolidated Appropriations Act of 2016, which was signed in December, 2015, extends the Section 25C credit for Nonbusiness Energy Property through December 31, 2016.

A full listing of Kolbe ENERGY STAR qualified products can be accessed on Kolbe's website at <http://www.kolbe-kolbe.com> under the Architect Library tab and ENERGY STAR Maps and Info section. Please note that the qualifying products are specific to the geographic location in which they are installed. A map is provided for assistance in determining which products are ENERGY star qualified for your area.

Taxpayers are directed to keep a copy of this Certification Statement for their records.

Under penalties of perjury, I declare that I have examined this Manufacturer's Certification Statement and to the best of my knowledge and belief, the facts are true, correct, and complete.

A handwritten signature in black ink that reads "Jeffrey De Lonay". The signature is written in a cursive style.

Jeffrey De Lonay, President
Kolbe & Kolbe Millwork Co., Inc.

DISCLAIMER: Kolbe is not a tax advisor and nothing in this Certification Statement may be construed as tax advice. Taxpayers are advised to contact a tax professional. Kolbe assumes no liability with respect to a taxpayer's ability or inability to obtain tax credits. This Certification Statement makes no certifications or representations other than certifying that certain Kolbe products may qualify for tax credits pursuant to the ENERGY STAR program by providing information about Kolbe products certified to meet the program criteria for your area. Please also note that Kolbe uses best efforts to ensure that its website contains current information but assumes no liability with respect to any errors which may appear on its website.
